Personal exhibitor statements

Sanjeev Kumar Kapoor, Head Marketing—Mettler Toledo

“This is the second year that we are participating in this event. We are happy with the amount of visitors and are confident of having increased visitors going ahead. The buyer-seller meet is a good initiative taken by Messe Muenchen India and would like to see more meetings scheduled. We look forward to participating in further editions based on the business generated through this edition.”

Ramesh Kumar Sahu, Business Manager—Skytech Systems (India) Pvt. Ltd.

“We have received a good response in terms of visitor attendance at our stall. The buyer-seller meet is a good concept and we are happy to be a part of meetings being arranged by Messe Muenchen India.”

L A R Krishna Das, Sr. Executive Business Development—Goel Scientific Glass Works Ltd.

“We have been exhibiting since the last four editions. Messe Muenchen India has been very supportive. We have used this platform to introduce our new technology; hand stirrer. We are happy that the trade fairs take place in Hyderabad looking at its potential.”

Shripad D Joshi, Country Sales Manager (Life Sciences & Applied Markets)—Agilent Technologies

“We have been participating in the trade fairs since its inception. Hyderabad has a huge market potential and we are glad to be a part of the show. The shows attracted a lot of visitors and the conference speakers were excellent. We look forward to more technical customers to attend the same.”

SAVE THE DATE

analytica India 2019

Date: Apr 16 - 17, 2019

Rohan Sehgal, Director—Tarsons

“We have been a part of the trade fairs since the last six years. We are leaders in our field and it is important for us to be a part of the show.”

Hemang Jhaveri, Director—Hiten Techno Products Corporation

“We have been exhibiting since 2009. We are extremely happy with the visitors of this edition. A major highlight this year has been the buyer-seller meet which has helped us interact with our target customers from the industry. Hyderabad is an important market and it is the right place to host the trade fairs. Thanks Messe Muenchen India for organising such a great show and for promoting the trade fairs to the right people from the industry.”

Amit Gokhale, Product Manager (Laboratory Automation)—Cryogen Instruments Pvt. Ltd.

“We have been participating over the years and are showcasing our latest products to target visitors. This is a great platform to network and connect with industry professionals. I am very pleased with the layout and ambience of the trade fairs. We have also interacted with foreign companies and may soon look at a potential partnership. This is a good platform for foreign companies looking at a strategic tie up with an Indian player.”

Vinod Narayan, Marketing Head—Hydrocarbon Solutions (India) Pvt. Ltd.

“This is our second year of participation. We have received good response from visitors attending our stall. We appreciate the introduction of buyer-seller meet which was very successful.”

Sandeep Hajra, General Manager—Waldner & Guenther Rossdeutscher, Managing Director and Shareholder—asecos

“The German companies Waldner and asecos had a triple premiere at India Lap Expo 2015. First time attending the show, first common booth, first joint seminar, “How to setup a Lab”. Because of the overwhelming response of this concept with more than 150 interested visitors, we have immediately decided to come back in 2016 with bigger booth and enhanced seminar series.”
