

## Getting there

analytica Anacon India and India Lab Expo are held at HITECH Exhibition Center in Hyderabad. This premier purpose-built exhibition and convention center offers world class convention facilities and services endeavoring to the success of events hosted here.

## Advantages of Hyderabad

The city is centrally located in India and rich with history and tradition. Hyderabad offers a pleasant climate almost throughout the year. Visitors enjoy an abundant inventory of quality hotel rooms, also in close proximity to HITECH. Hyderabad is also the Indian home to global corporate giants such as Google, Microsoft, GE, Facebook, etc.

## Reaching HITECH

Hyderabad, being the capital city of the new federal state Telangana, has great connectivity through air, railways and roadways from major cities in India and across the world. Situated in HITECH City, the thriving IT hub of Hyderabad, HITECH is in close proximity to the International Airport and South Central Railways with great connectivity by road.

The easiest way to reach the HITECH exhibition fairground is with the local transportation system such as taxi or riksha.
